

# DEVELON

A brand of HD Construction Equipment.

## CERTIFIED Warranty

Protect your assets.

DEVELON

# The CERTIFIED Advantage.

Get the reliable, hard-working DEVELON used equipment you need at an even better price.

The DEVELON CERTIFIED Warranty provides another option for expanding your fleet and growing your business. Choose from a variety of CERTIFIED DEVELON equipment, all thoroughly inspected and ready to start working on your job site.

# Used Equipment to Fit Your Needs.

Following a detailed inspection, each component is independently evaluated and, if necessary, repaired to award the equipment an A, B or C standard. You choose the equipment condition and price that best fits your needs.

| Certification Standards | A                                                                                                                          | B                                                                                                                                    | C                                                                                                                                                                       |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                         | <b>Full Warranty</b><br>Lightly used DEVELON equipment that looks and performs like it did the day it rolled off the line. | <b>Powertrain and Hydraulics</b><br>Equipment that features minimal wear and tear with great appearance and outstanding performance. | <b>Powertrain</b><br>Equipment that is proven in the field and still offers quality performance for your toughest jobs.                                                 |
| Age                     | Max. 5 years                                                                                                               | Max. 7 years                                                                                                                         | Max. 9 years                                                                                                                                                            |
| Frame                   | Max. 5,000 hours. Structurally sound with no cracks or welds.                                                              | Max. 7,000 hours. Structurally sound with no cracks or welds.                                                                        | Max. 9,000 hours. No significant structural problems.                                                                                                                   |
| Undercarriage/Tires     | Over 50% life remaining on all components.                                                                                 | 50% life remaining on all components.                                                                                                | 25% life remaining on all components.                                                                                                                                   |
| General Appearance      | Excellent. Close to "like new" condition.                                                                                  | Excellent. Close to "like new" condition.                                                                                            | Only minor leaks of any sort. Minor cosmetic issues. Sheet metal is acceptable "as is." The operator's compartment is acceptable. Hinge and pin bores show normal wear. |
| Performance             | Operationally sound. Meets all performance specs.                                                                          | Operationally sound. Meets all performance specs.                                                                                    | Operates and is job-ready. May need minor adjustments and repairs for peak performance.                                                                                 |
| Warranty                | Full warranty. Available for 1 year/1,000 hours or 2 years/2,000 hours.                                                    | Optional factory powertrain/hydraulics warranty. Available for 1 year/1,000 hours or 2 years/2,000 hours.                            | Powertrain warranty. Available for 1 year/1,000 hours.                                                                                                                  |
| Financing               | Competitive financing and term offers may be available with approved credit.                                               | Competitive financing and term offers may be available with approved credit.                                                         | Competitive financing and term offers may be available with approved credit.                                                                                            |

# About Your CERTIFIED Warranty Coverage

**How does the DEVELON CERTIFIED Warranty® differ from the DEVELON Standard Factory Warranty?**

DEVELON CERTIFIED Warranty offers several coverage options similar to the DEVELON Standard Factory Warranty. It's an assurance from us that your DEVELON used equipment will perform as promised, and it's backed by our decades of construction equipment manufacturing and leadership in the industry. The DEVELON CERTIFIED Warranty offers coverage after the standard warranty expires, allowing you to purchase up to 10,000 total hours of warranty protection for the powertrain, the powertrain plus hydraulics or the full machine warranty.

*\* **Standard A** is eligible for full warranty. Max. age and frame of 5 years and 5,000 hours.*

***Standard B** is eligible for powertrain and hydraulics warranty. Max. age and frame of 7 years and 7,000 hours.*

***Standard C** is eligible for powertrain warranty. Max. age and frame of 9 years and 9,000 hours.*

The DEVELON CERTIFIED Warranty provides an easy way to protect your cash flow from unplanned expenses and customize the coverage to fit your needs.

- Includes factory-backed parts and labor coverage as specified by DEVELON
- Coverage that is honored at any authorized DEVELON dealer
- \$0 deductible and is transferable when you sell or trade your equipment

**Are there any conditions or limitations on the CERTIFIED Warranty?**

CERTIFIED Warranty customers are required to perform maintenance on the covered equipment at regular intervals and use DEVELON fluids and filters while under DEVELON CERTIFIED Warranty. DEVELON will not be liable for any damage to the equipment caused by using non-DEVELON fluids or filters. Use of non-DEVELON fluids or filters could result in the voiding of CERTIFIED Warranty policy.

# About Your CERTIFIED Warranty Coverage

**What DEVELON equipment is eligible for coverage under the CERTIFIED Warranty?**

CERTIFIED Warranty coverage is available for all equipment that meets the criteria in A, B, and C standards. See chart on page 3.

**What is a CERTIFIED full warranty?**

A full warranty provides coverage for all components as specified by DEVELON, subject to the exceptions listed by DEVELON.

**What isn't covered by the CERTIFIED Warranty?**

The CERTIFIED Warranty does NOT cover the following items:

- Attachments
- Maintenance items, such as oil, filters and batteries
- Miscellaneous items, such as lamps and bulbs
- Rental and downtime expenses
- Wear items, such as tires and tracks

**Who backs the CERTIFIED Warranty program?**

It's backed by DEVELON and administered by the entire DEVELON dealer network. Service is provided only by qualified DEVELON technicians.

**Who do I contact and where do I go to get CERTIFIED Warranty service?**

Simply contact the DEVELON dealer nearest to you. Any equipment covered by the CERTIFIED Warranty can be serviced by any DEVELON dealer in the U.S., Canada or Oceania.

**How much does the CERTIFIED Warranty cost?**

The cost of your CERTIFIED Warranty varies by both equipment type and length of coverage desired. Your DEVELON dealer can provide a quote and advise you on the cost of the CERTIFIED Warranty plan.

**What will DEVELON do if the product fails?**

DEVELON will repair or replace any part or component that fails as a result of deficiencies in materials or workmanship.

**Which equipment components are not covered by the CERTIFIED Warranty?**

Depending on whether you purchase a full, powertrain or powertrain plus hydraulics plan, the component coverage varies. Your DEVELON dealer can review the differences in coverage with you at any time.

# Coverage Options

The DEVELON **CERTIFIED Warranty** offers you the following powertrain, powertrain plus hydraulics and full warranty plans beyond the terms of the standard warranty:

| Standard | Coverage                  | Option 1           | Option 2            |
|----------|---------------------------|--------------------|---------------------|
| A        | Full Warranty             | 1 year/1,000 hours | 2 years/2,000 hours |
| B        | Powertrain and Hydraulics | 1 year/1,000 hours | 2 years/2,000 hours |
| C        | Powertrain                | 1 year/1,000 hours | —                   |

**Standard A** is eligible for full warranty. Max. age and frame of 5 years and 5,000 hours.

**Standard B** is eligible for powertrain and hydraulics warranty. Max. age and frame of 7 years and 7,000 hours.

**Standard C** is eligible for powertrain warranty. Max. age and frame of 9 years and 9,000 hours.

For more information on coverage plans, pricing and benefits, work with your local DEVELON dealer.

# What's Covered?

## Powertrain Coverage

### Engine

- Camshaft
- Camshaft bearings
- Camshaft drive gear
- Charge air cooler
- Connecting rods and bearings
- Crankshaft bearing and gear
- Crankshaft, including front and rear crankshaft seals
- Cylinder head/head gasket
- Cylinder liners
- EGR system manifold
- Electronic engine control module
- Engine block
- Front and rear engine seals
- Front damper
- Injection pump and gasket
- Injection nozzles
- Intake and exhaust manifolds and gaskets
- Oil pan and gasket
- Oil pump
- Piston and rings
- Pressure/temperature sensors and sending units
- Ring gear and flywheel
- Rocker arm cover and gasket
- Thermostats
- Timing gear cover
- Turbocharger and gaskets
- Valve cover and gasket
- Water pump and gasket

### Transmission/Differential/Hydrostatic

- Axle housing
- Axles and differentials
- Clutch housing
- Control valves for propel and swing functions only (not dig functions)
- Differential housing
- Differential pinion gear/ring gear
- Drive axle hub
- Driveshaft support bearing
- Driveshaft with universal joints
- Electronic control valves
- Final drive and axles
- Final drive pinion
- Final drive planetary gears
- Hydraulic drive/travel motor
- Hydraulic drive pump
- Hydraulic transmission control valves
- Hydrostatic/hydraulic pump drives
- Hydrostatic motor
- Hydrostatic transmission charge pump
- Hydrostatic transmission pump
- Internal transmission control linkage
- Planetary gear carrier
- Propel motor, pump, brakes and control valves

- Pump and valve controller
- Reverser with control valve
- Splitter drive
- Swing motor and brake
- Swing gearbox and bearings
- Torque converter
- Torque converter pump
- Transfer drive
- Transmission case
- Transmission gear, bearing and shaft
- Transmission pump
- Travel and swing sections only of main control valve
- Travel control valve
- Turntable bearing
- Wet park brakes
- Wet service brakes
- Wet steering brakes
- Wet steering clutches

## Powertrain Plus Hydraulics Coverage

All components listed under powertrain, plus the following:

### Hydraulic Components

- Accumulator and related relief valve
- Brake accumulator
- Brake pressure sensor
- Brake pump, brake valve
- Control and load holding valves
- Cylinder packing kits
- Differential lock valve
- Fan pumps and motors
- Hydraulic cylinders
- Hydraulic motors
- Hydraulic oil cooler
- Hydraulic pumps
- Hydraulic reservoir
- Hydraulic valves (hydraulic hoses and piping; excludes rubbed, ripped, torn, cut or pinched failures)
- Locking pin cylinder
- Pilot controls
- Pressure reducing valves
- Steering pump
- Steering valves and cylinders
- Unloading valve

# What's Covered?

## Full Coverage

All components listed under powertrain and powertrain plus hydraulics, plus the following:

### Engine

- Air intake hose
- Cold-start enrichment systems
- Diesel exhaust fluid tank and dispensing system
- Engine components covered after emissions warranty
- Engine mounts and supports
- Engine oil lines
- Engine speed controls and linkages
- Fan and fan drive
- Filter mount
- Fuel lines
- Fuel tank
- Fuel transfer pump and gasket
- Oil filler tubes
- Pressure/temperature sensors and sending units
- Pulleys
- Radiator
- Sensors, solenoids and wiring harnesses used in these systems
- Water piping
- Water pump

### Transmission/Differential/Hydrostatic

- Accumulator and related relief valves
- Control rods
- Differential lock valve and associated parts
- Disconnect levers and handles
- Filler tubes
- Filter screens
- Levers and pedals
- Oil cooler
- Pneumatic valves
- Sending units and sensors
- Shift control linkage
- Undercarriage roller and idler seals and bearings
- Undercarriage tensioner (excludes sprockets, tracks, pads, bolts and chains)

### Electrical

- Alternator
- Electronic joystick (wiring harnesses; excludes rubbing, chafing, loose or corroded connections)
- Electronic motors
- Factory-installed electronic controllers
- Gauges
- Horn
- Indicators
- Instrument
- Sensors
- Solenoid valves
- Starter
- Starter solenoid
- Switches
- Voltage regulator

### Brakes

- Brake accumulator
- Brake pump
- Brake valve
- Pressure reducing valve
- Unloading valve

### Steering

- Cross relief valve
- Priority valve
- Secondary steering system components

### Factory Heat and Air Conditioning

- Accumulator
- Clutch and pulley
- Compressor
- Condenser
- Dryer
- Evaporator
- Expansion valve
- Heater core
- Hoses (excludes rubbed, ripped, torn, cut or pinched failures)
- Seals and gasket
- Temperature control programmer and valves

### Other

- Bucket linkage
- Engine frame
- Excavator arm and linkage
- Excavator boom
- Loader boom
- Mainframe
- Track frames

# Items Not Covered Under CERTIFIED Warranty

### Maintenance

The CERTIFIED Warranty does not cover scheduled maintenance service items, such as lubricants, oil filters, hydraulic hoses, fuel filters, air filters, batteries, tune-ups or coolants.

### Rentals

CERTIFIED Warranty does not cover downtime expense during repairs or equipment rental charges.

### Attachments

CERTIFIED Warranty coverage does not include attachments that were purchased with the equipment.

### Damage

CERTIFIED Warranty plans do not cover failures caused by carelessness, accidents, improper operation, transportation, storage, unapproved modification or use of unauthorized attachments.

### Extra Expenses

Your CERTIFIED Warranty does not cover expenses, such as part freight, cleanup, shop supplies, tools, diagnostic or troubleshooting time, loss of pay or other consequential matters. Trucking or transportation of the equipment is not covered.

### Wear Items

CERTIFIED Warranty plans do not cover wear items, such as tires, tracks, batteries, pins, bushings, shims, sprockets, ground engagement tools, bucket teeth, cutting edges or any failure or breakage caused by wear.

### Miscellaneous Items

CERTIFIED Warranty plans do not cover such items as lamps, bulbs, wiper blades, radios, radio components, mirrors, brackets, clamps, fittings, mud flaps, door handles, hinges, seats or windows.

## Terms and Conditions

During the applicable period of the "CERTIFIED Warranty," the authorized DEVELON dealer shall repair or replace, at the option of DEVELON, without charge for parts and labor, any component of the DEVELON equipment which fails because of defects in material or workmanship except as otherwise provided below. The owner of the protected equipment agrees to provide the dealer from which the DEVELON equipment was purchased with prompt written notice of any defects covered by the "CERTIFIED Warranty" and to allow a reasonable time for replacement or repair. DEVELON may, at its option, request the return of failed parts to its factory.

The CERTIFIED Warranty does not cover extra expenses, such as parts freight, cleanup, shop supplies, tools, diagnostic or troubleshooting time, loss of pay or other consequential matters. Trucking or transportation of the equipment is not covered. The owner also agrees that travel time of mechanics or transportation of the DEVELON used equipment to the servicing dealer is not covered. The owner is responsible for the travel cost.

The "CERTIFIED Warranty" does not cover tires, belts or other trade accessories or attachments not manufactured by DEVELON. The owner shall rely solely on the warranty, if any, of the respective manufacturers thereof. It does not cover the replacement of scheduled service items, such as oil filters, gaskets and other high wear or normal replacement items, nor does it cover damages resulting from abuse, neglect, accidents, alterations, use of the DEVELON equipment with any accessory or attachment not approved by DEVELON, air flow obstructions, or failure to maintain or use the DEVELON equipment according to the instructions applicable to it. In order to ensure coverage under the "CERTIFIED Warranty," the owner must submit proof that maintenance intervals have been followed. It is the obligation of the owner to provide such verification when submitting warranty claims. In addition, DEVELON will not be liable under the "CERTIFIED Warranty" for any defect or damage which is caused by the use of non-DEVELON fluids or filters. Refer to the Operation & Maintenance Manual and Parts Manual for the correct DEVELON fluids and filters.

The "CERTIFIED Warranty" is in lieu of all other warranties. DEVELON disclaims all other warranties, express or implied, including any implied warranties of merchantability or fitness for a particular purpose. The remedies provided under the plan are exclusive. In no event shall DEVELON or the authorized DEVELON dealer be liable for any special, incidental, indirect or consequential damages whatsoever, including, but not limited to, loss or interruption of business, lost profits, or loss of equipment use, whether based on contract, warranty, tort, negligence, strict liability, statute or otherwise, even if DEVELON or the authorized DEVELON dealer has been advised of the possibility of such damages. DEVELON reserves the right to deny the sale of coverage on any equipment at any time.

### Plan for Long-Term Success With DEVELON Used Equipment
