DEVELON

Continuous evolution, for better.

We trace our roots to 1937 as one of Korea's first large-scale machine plants. During that time, we have consistently delivered earth-moving equipment to build critical infrastructure for the betterment of communities, societies and the wider world.

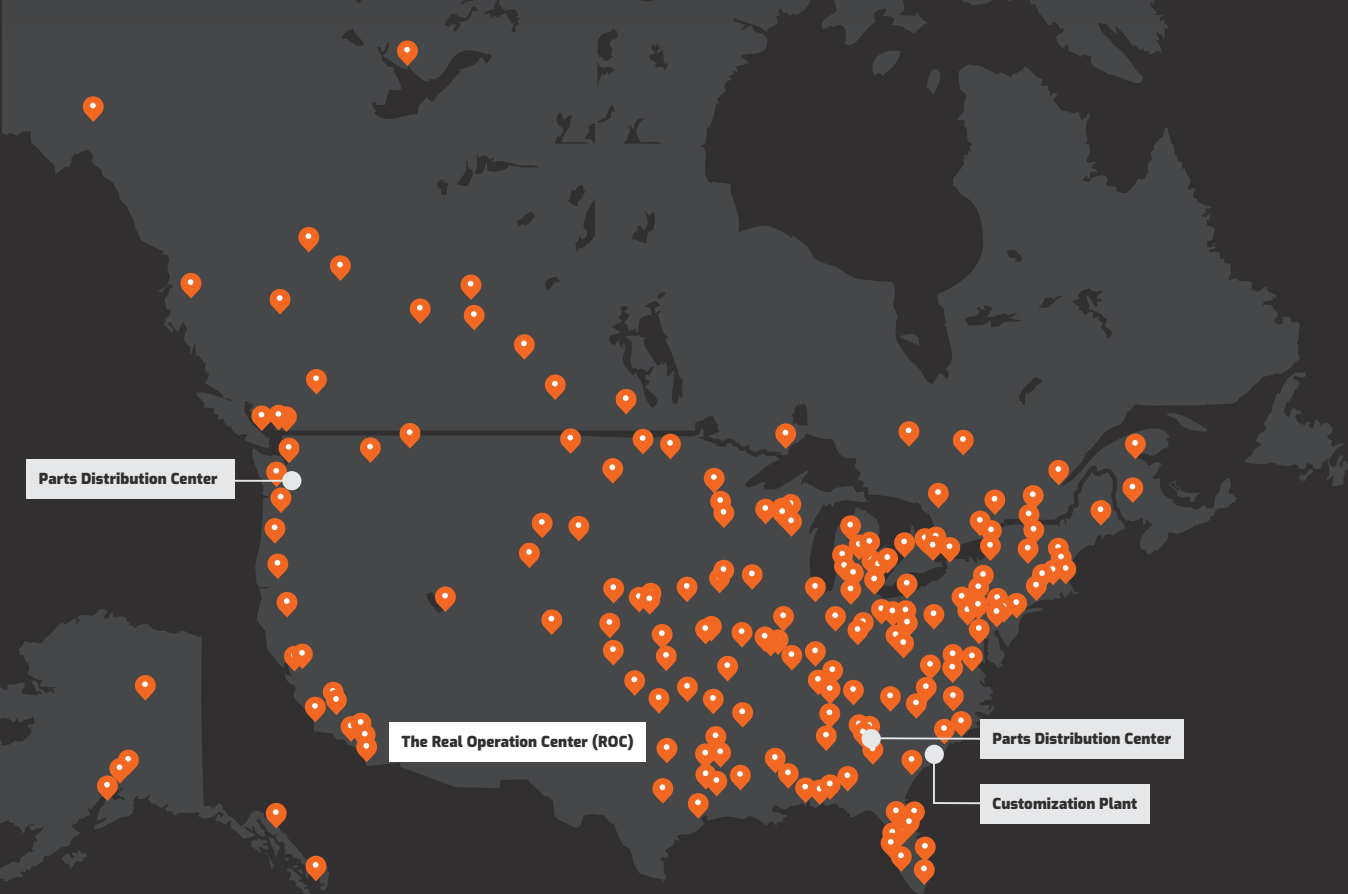

We are
DEVELON.

DEVELON is a bold name that reflects our core ambition to continue developing onward and leaving behind a positive footprint in our world. Moving forward, we will continue providing innovative products and solutions that advance the world we live in today.

Dedicated to Your Success.

DEVELON helps solve your unique business challenges to advance the development of our world. We are Powered by Innovation, delivering a full lineup of durable equipment, outstanding value and comprehensive services from our expanding network of North American dealers.

Strong Dealer Network
Our network of local dealers continues to grow across North America. These knowledgeable teams are dedicated to your success by offering responsive service, reliable parts and trusted advice.

Parts Availability
Your dealer can offer more parts inventory and faster delivery – thanks to our two warehouses in Georgia and Washington.

Customization Plant
A dedicated facility in Georgia tailors the equipment configuration and final machine assembly for faster delivery.

MY DEVELON Fleet Management

Free monitoring. No contract. No fees.
A standard feature on most DEVELON models, MY DEVELON fleet management makes it easy to remotely monitor and maintain your equipment. This powerful diagnostic tool monitors the health, location and productivity of your DEVELON equipment from a user-friendly mobile app and website.

Smart X-Care™ fleet tracking service offers continuous monitoring of your construction equipment telematics, alerting you and your dealer as needed.

FULL COVERAGE

36 MONTHS	3K HOURS
---------------------	--------------------

Leading Standard Warranty
Your new DEVELON machine includes full coverage for 36 months or 3,000 hours, whichever comes first, with parts and service support from your local authorized DEVELON dealer.

Protection Plus® Extended Warranty
Our DEVELON Protection Plus® extended warranty coverage allows you to customize coverage to meet your needs. Purchase up to 72 total months/7,500 total hours of warranty protection covering the full machine.

Compact Track Loaders

The DEVELON compact track loader offers leading horsepower and attachment versatility to increase productivity in construction, landscaping, rental, utility, agricultural and snow removal applications.

Model Available: DTL35

Performance

- First-Class Horsepower
- Vertical Lift Arm
- Superior Dump Reach
- Auto Return to Dig and Attachment Positioner
- Ride Control
- Lift Arm Float
- Auto Self-Leveling (Up and Down)
- Bucket Shake
- Reversible Fan
- Hydraulic Quick Coupler

SCAN THE CODE

Smart Technologies

- MY DEVELON Fleet Management
- Full-Color 8-Inch Smart Touch Display

Safety

- Standard Rearview Camera
- Optional Around View Monitor (AVM) Camera System With Ultrasonic Sensors
- Rearview Mirror
- Polycarbonate Glass Door
- Visibility Roof Panel
- Minimized A-Pillar for Visibility
- Travel Alarm
- Master ON/OFF Switch
- LED Work Lamps

Comfort

- Spacious 3-Foot-Wide Cab
- Adjustable Heated Air-Suspension Seat
- Heat and AC System
- Torsion Suspension System
- Pressurized Cab

Wheel Loaders

DEVELON wheel loaders deliver market-leading productivity required for construction and municipal operators and industrial, mining and quarrying applications. Improved performance features increase operational efficiency in a variety of applications.

Smart Technologies

- Standard DEVELON-exclusive Transparent Bucket
- MY DEVELON Fleet Management
- Smart Touch Display

Performance

- ZF Heavy-Duty Axles (All Models Except DL200-7) and Dana Heavy-Duty Axles (Only DL200-7)
- Larger Bucket Capacities
- Outboard Brakes

Comfort

- 14% More Window Glass and Full Glass Door
- Air-Suspension Seat
- Automatic Heating and Air Conditioning System

Safety

- Standard Rearview Camera
- Optional Around View Monitor (AVM) Camera System
- Standard Situation Awareness Technology Mode (DL320-7 through DL580-7)

CONSTRUCTION EQUIPMENT

Comfort
 - Leading Operator Comfort
 - Heated Air-Suspension Seat
 - Wide-Entry Door

Safety
 - Optional smart around view monitor (SAVM) camera system
 - Standard Rearview Camera
 - Seven LED Lights
 - AI-powered Human Detection
 - E-stop
 - Virtual Walls

Smart Technologies
 - Fully Electrohydraulic Control System (DX225LC-7X Model)
 - MY DEVELON Fleet Management
 - Mechatronics Design
 - Smart Touch Display
 - Smart Power Control
 - Factory-equipped 2D Machine Guidance & Machine Control

Performance
 - Highly Fuel-Efficient Engine
 - Powerful Digging Forces
 - Fast Cycle Times
 - Multiple Arm Options
 - Tiltrotator Mode
 - Fine Swing Function

Wheel Excavators

For municipalities where road travel is necessary, or for general contracting and site development requiring frequent relocation from point to point, DEVELON wheel excavators make it easy to roll in and out and accomplish more in less time.

CONSTRUCTION EQUIPMENT Top 100 new products 2023
 Awarded to DX140W, DX190W and DX210W.

Comfort

- Heated Air-Suspension Seat
- Large Entry Door
- Optional Load Isolation System

Smart Technologies

- MY DEVELON Fleet Management
- Smart Power Control

Performance

- Faster Travel Speeds
- Dozer and Outrigger Options
- Versatile and Maneuverable

Safety

- Standard Rearview Camera
- Standard 7 LED Lights
- Optional Around View Monitor (AVM) Camera System

Models Available:

DX100W-7, DX140W-7, DX190W-7, DX210W-7

Articulated Dump Trucks

For more than 50 years, DEVELON articulated dump trucks (ADTs) have delivered reliable, dependable and cost-effective performance — including one of the industry's leading power-to-weight ratios. These models offer larger load capacities along with superior power and traction.

Awarded to DA30-5.

Comfort

- Air-Suspension Seat
- Self-Leveling, Hydro-Gas Front Suspension
- Spacious Cab

Smart Technologies

- Front-Mounted Turning Ring With Free-Swinging Rear Tandem Bogie
- MY DEVELON Fleet Management

Performance

- Sure-Footed Traction
- Quick-Unloading Tailgate
- Less Than 10- or 12-Foot Widths for Easy Transport
- 6-wheel drive

Models Available:

DA30-5, DA45-5

Dozers

DEVELON dozers deliver powerful pushing performance, fuel efficiency and all-day operator comfort. They're built for the most demanding conditions, with rugged components, easy maintenance and smart technologies.

Awarded to DD100.

Comfort

- Cab Suspension System (CabSus Mount)
- Electrohydraulic Controls
- Hands-Free Audio
- Spacious Cab
- Sealed and Pressurized Cab

Smart Technologies

- MY DEVELON Fleet Management
- Smart Touch Display
- Customizable with 3D Machine Guidance and Control System as an aftermarket option
- Standard 2D Grade Control System

Performance

- Enhanced Visibility
- Superior Horsepower
- ECO Mode
- Dual and Single Flange Rollers Available
- GP and Full Track Guard Available
- Reversing Fan
- Ripper Circuit

Safety

- Standard Rearview Camera
- Standard 4 LED Lights
- Excellent Forward Visibility
- Operator Presence Switch

Models Available:

DD100, DD130

Premium Features Come Standard on DEVELON Equipment.

To compete and succeed you need equipment that helps you maximize job site productivity and the bottom line. DEVELON machines do both. To ensure a high return on investment, we add more premium features as standard equipment on every model.

These features are often options that come with an additional cost from other manufacturers. By including them as standard, DEVELON gives you a competitive edge – helping operators work more efficiently and improving safety during the longest workdays.

Compact Track Loader

Ride Control, Reversible Fan, Torsion Suspension, Return to Dig and Attachment Positioner, Bucket Shake, Adjustable Air-Suspension Heated Seat, MY DEVELON Fleet Management, Polycarbonate Door, Auto Self-Leveling (Up and Down), Rearview Camera

Wheel Loaders

Heavy-Duty Axles, MY DEVELON Fleet Management, Smart Touch Display, Rearview Camera, Auxiliary Hydraulic Spool and Piping, Smart Key, Transparent Bucket

Crawler Excavators

MY DEVELON Fleet Management, One-Touch Power Boost, Heavy-Duty Wear Plates, Rearview Camera, Automatic Belt Tensioner, Smart Touch Display, Heated Air-Suspension Seat

Wheel Excavators

MY DEVELON Fleet Management, One-Touch Power Boost, Heavy-Duty Wear Plates, Rearview Camera, Smart Touch Display, Fine Swing Function, Heated Air-Suspension Seat

Mini Excavators

Thumb-Ready Arm*, Selectable Control Pattern, Quick-Coupler-Ready Design, 1-Way/2-Way (Without Pedal), Travel Alarm, MY DEVELON Fleet Management

Articulated Dump Trucks

Tailgate, Premium Air-Suspension Seat, Automatic Central Lubrication System, Premium Operator Cab, MY DEVELON Fleet Management, Active Payload Meter, Self-Leveling Hydro-Gas Front Suspension, Bed Heater

Dozers

Maximize Your Equipment Investment With DEVELON Attachments.

Versatile DEVELON equipment can use a variety of attachments to expand your capabilities on every job. Our attachments are built to DEVELON machine specifications for superior reliability and performance.

Compact Track Loaders

Angle Broom
A valuable attachment for sweeping and clearing debris, gravel, sand and waste from your construction site.

Utility Bucket
Robust design for handling dense and bulk materials with ease.

Auger
Plays a crucial role in utility and infrastructure projects, efficiently boring holes to your desired depth and diameter.

Multi-Purpose Bucket
Ultimate 4-in-1 tool that excels at digging shallow trenches, removing soil and effortlessly backfilling excavated areas

Power Rake
Highly effective for grading and leveling uneven terrain like lawns, driveways and construction sites.

Open-Front Rotary Brush Cutter
Ideal for utility and right-of-way maintenance; adept at clearing vegetation (up to 8" in diameter cut capacity with the HD version) around power lines, pipelines and transportation corridors.

Hi-Vis Rail Pallet Fork
Efficiently transports and positions rails, sleepers, ballast and ties.

Closed-Front Rotary Brush Cutter
Efficiently clears grass and brush (up to 4" diameter cut capacity), resulting in a consistent finished look.

Scrap Grapple
Designed to efficiently pick up and remove materials like concrete rubble, bricks and wood.

Snow Blower
Standard and heavy-duty options, both designed to tackle snow removal in tight or confined spaces with ease.

Skeleton Grapple
Open sides, bottom and back to facilitate the versatile hauling of brush, logs and debris.

Snow/Light-Material Bucket
Two options, standard and heavy-duty, that are engineered for efficient snow removal and versatile material handling tasks.

Large-Capacity Root Grapple
Streamlines cleanup and sorting efforts on construction and demolition sites with efficient material handling features.

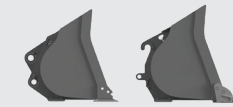

Snow Pusher
Rubber-edge design to perfectly clear snow on roads, streets and highways, particularly in residential and urban areas.

Low-Profile Dirt Bucket
Perfect for digging trenches, leveling terrain and grading surfaces with accuracy.

Wheel Loaders

General-Purpose Bucket
Designed with a sloped bottom for maximum filling while retaining material and improving dump angle.

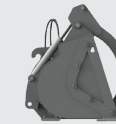

Rock Bucket
Designed for heavy-duty digging applications.

Light-Material Bucket
Designed for material densities less than 2,000 lb./yd³ (1185 kg/m³).

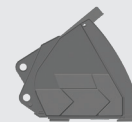

Pallet Fork
Fork design offers improved center of gravity for better load control and handling.

Grapple Bucket
Optimized for land waste or recycling operations or land clearing.

Quick Coupler
Quickly change your non-hydraulic wheel loader attachments without leaving your seat.

Aggregate Bucket
Designed with a flat bottom for an optimal cut into a pile to provide maximum filling and machine efficiency.

Crawler and Wheel Excavators

Heavy-Duty Bucket
Built to match your digging demands with reinforced diamond-folded top section for added strength.

Angle-Tilt Bucket
Bucket rotation tilts 45 degrees in either direction to enable cost-effective grading, sloping and land clearing.

Severe-Duty Bucket
Built for harsh digging applications with high-quality, abrasion-resistant material.

Hydraulic Quick Coupler
Easily switch a wide range of excavator attachments without leaving the cab.

Ditch-Cleaning Bucket
Available in standard and heavy-duty.

Thumb
Provides an easy-to-install solution. The DEVELON universal hydraulic clamp is available in a range of fixed widths and lengths.

HB-Series Hydraulic Breaker
Break ground or concrete with ease. Engineered for long-lasting performance, this tool excels in punishing demolition tasks.

Mini Excavators

Heavy-Duty Bucket

Available with pin- or quick-hitch-style top caps.

Ditch-Cleaning Bucket

Available with pin- or quick-hitch-style top caps.

Thumb

Installs quickly and easily due to thumb-ready arm and standard auxiliary hydraulics on the machine.

Hydraulic Quick Coupler

Improves versatility for connecting a wide range of attachments without leaving the cab.

Manual Quick-Hitch

Easily interfaced and connected with a wide variety of attachments with one simple, single-pin retention system.

Dozers

Parallel 3-Shank Ripper Attachment

Includes a standard circuit and piping that makes it easy to add a 3-shank ripper attachment. Features parallel linkage that helps maintain a constant angle to the ground regardless of the height.

Forestry Guard

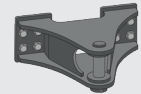

Protects front visibility of the machine and cab by moving tree limbs away and over the cab.

DD100

Towing Draw Bar Attachment

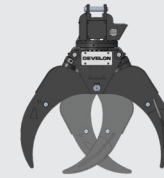

Makes it easy to use your dozer for towing other equipment around the job site.

DD130

Log Loaders

Log Grapple

360-degree continuous rotation improves picking and placing and minimizes the need to move your machine.

Road Builders

Heavy-Duty Bucket

Built to match your digging demands with reinforced diamond-folded top section for added strength.

Severe-Duty Bucket

Built for harsh digging applications with high-quality, abrasion-resistant material.

Ditch-Cleaning Bucket

Available in standard and heavy-duty.

Hydraulic "Pin Grabber" Quick Coupler

Saves time when switching attachments.

Thumb

Provides an easy-to-install solution. The DEVELON universal hydraulic clamp is available in a range of fixed widths and lengths.

Material Handlers

Grapple

Matches your material handler's load ratings and hydraulics for the best possible performance.

Certain specification(s) are based on engineering calculations and are not actual measurements. Specification(s) are provided for comparison purposes only and are subject to change without notice. Specification(s) for your individual DEVELON equipment will vary based on normal variations in design, manufacturing, operating conditions, and other factors.
